

Code Game

Which code goes with each answer? Work out each yellow and orange code, look up the correct reference in the Bible, and then decide what the Bible passage is talking about!

Yellow Code: Type this number into a new message on your mobile phone - without using predictive text! Which book from the Bible does it reveal?

Orange Code: Now look up this Chapter and Verse number in the correct book of the Bible - just like Sam and Alice in the '24th December' Chapter of *The Advent Calendar*! Which pink answer corresponds with the passage?

Still having problems figuring it out?

The first one has been done for you. Type the numbers 7 77772 5556 7777 into a new message on your mobile phone - with the predictive text feature off. This will reveal the name of a book in the Bible. The Orange code next to it is a Chapter and Verse number for that book. Look it up, and you'll see the passage: 'They shall dance in praise of his name' - so the answer is 'dancing'!

Now try the others!
